Corpus Christi, TX 78415

RE: Asbestos Removal

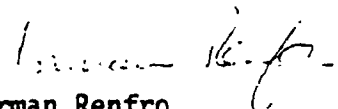

Dear Mr. Palmer:

Valero Refining Company plans to demolish the old Corn Products Buildings 48 and 53 in early September 1989. Prior to demolition by Bay, Inc., Gilman Insulation Company, Inc. will remove asbestos insulation from both buildings in accordance with OSHA and EPA standards. The material will be disposed of at E in Sinton.

Attached is a completed TACB Asbestos Demolition/Renovation Notification Form submitted to comply with NESHAP's and TACB notification requirements. The asbestos abatement will start on August 28, 1989, and take approximately five weeks to complete.

If any additional information is required, please advise.

Sincerely,

Norman Renfro
Chief Environmental Engineer
