Mr. Warren P. Holden,
San Francisco, Cal.

My dear Warren:-

Referring to your favor of July 25th in which you asked me to obtain quotation on 500 muslin banners, begto state the Metropolitan Printing Co. who are well recommended by Standard Varnish Works, quote us price of 35¢ each f.o.b. New York. This does not compare very favorably with Cleveland-Akron Sign Co.'s price of \$99.80 for the lot f.o.b. Cleveland.

We doubt very much if we shall be able to obtain a better quotation than this.

Very truly yours,

W. P. FURNACE & CO.
