Hi Alex,

Circling back to see if you or a member of your staff would have a few minutes to connect. Jonathan submitted a scheduling request on our behalf the week before last.

Would like to update you on a discussion our CEO had with the President and tasking the President asked us to undertake with follow up to Secretary Lutnick. It concerns tailpipe emissions.

Thanks much,
Omar

Hello, Alexander! I think my friend Mike Abboud gave you a heads up that we would be reaching out to connect you and our head of public policy, Omar, who is copied. Nicole is Omar's EA and can help get something on the calendar ASAP. Thank you for offering your time and look forward to meeting! Jonathan
