Subject: what is the status of the

Hi again Ms. Tate,

What is the status of the new rule to the end of "secret science" at the agency. I highlighted Heartland's support of the new rule as the second item on our web site at <http://www.climatescienceinternational.org/> and would like to now reference it in an OpEd I am working on now for newspapers. The 30 day comment period should be over so where in the process is the rule now?

Hope to hear from you in the next few hours if possible as I am just finishing up the OpEd.

Thanks,

Tom
