Dear Mr. O'Connell:-

I am enclosing herewith
copies of my letters to Dr. McCurdy in the [REDACTED]
case. There is also a copy of Dr. McCurdy's reply
to my last letter which indicates that Dr. McCurdy
was convinced of the facts stated in my letter of
May 10th.

There is nothing I can
add to my letter of May 10th in the way of any further
opinion. Perhaps I should say, however, that I see no
useful purpose in carrying out any further studies on
Mr. [REDACTED] since in my opinion the facts with regard to
this case have been quite clearly established.

Very truly yours,

RAK:is

Robert A. Kehoe, M.D.
