

License Ordinance To Avoid State Conflicts

Monte Sereno does not not reached at that judicial level. He will pursue it to yet higher courts. State-licensed already. Douglas H. Pendle filed a petition for re- of the District Court of finding. He intimated a favorable decision is

sional area. He was joined by Associated Civil Engineers of Santa Clara County in the 1963 suit. The field already is regulated by the State. Verner and the association contended. The Superior Court initially found in

District Court of Appeals reversed that finding. Anyone who does business in Monte Sereno, regardless of the seat of that business, is required to pay a business license fee to this city under provisions of the old ordinance.

'Freeze' Law Jells Districts

OGA — An emergency ordinance has been passed by the City Council that all uses presently in the district in the Highway 85 vicinity at the northern entrance to the city. The Council decided an emergency ordinance was in order to prevent previously allowed zoning regulations forcing of restrictions in the commercial service district. The Planning Commission and
