Dear Mr. Jackson,

My name is Connie Fossi and I'm a producer for Fusion's documentary series "The Naked Truth." As I mentioned in previous emails, my team is currently working on a one-hour documentary that will feature EPA's administrator Scott Pruitt tenure in state government and his current role at the EPA.

I'm reaching out because we recently interviewed former BOSC Chairwoman Deborah Swackhamer and she expressed concerns about the emails that you sent her before her testimony in July.

I would really appreciate if we can set a time to talk on the phone today or tomorrow about the interview and address some questions about it. We would like to give you a fair opportunity to address her concerns and clarify some information about the agency's procedures.

My cell-phone number is 305.613.9703.

I look forward to hearing back from you. Your prompt response is appreciated in this matter.

Thank you,
Connie
