

This Order Record is issued by Sales Department to advise of receipt of Order. It also furnishes the Production Department with information for placing the apparatus upon the Plant Schedule. The Sales Department will give delivery in terms of date. Changes or revisions to Order (except should be issued on Order Record Change or Addenda form). For all combined contracts there will be an exchange of Order Records between interested Sales Departments so that Shop Order Numbers may be assigned for such equipment and appear on Bill of Material issued to Production Department by Drafting Room.
