My two years' record in the City
Council speaks for itself. On that
record I look to see my friends place
me over the head of the ticket.
A. P. Fleming, for City Council:
My child work here and my record
at Sacramento are too well known
not to receive the recognition
which will easily place me among
the foremost on the list.
Frederick C. Langston, for City
Council: My long experience as a
Councilman has made me realize
fully that city government is busi-
ness, not politics and that is the
way I propose to consider it after
I am elected.
Frank E. Pettit, for City Council:
My indorsement by the Asso-
ciation for Betterment of Public
Service is sufficient recommendation
to place me on the ticket; my ex-
perience should make my election
certain.
W. J. Sanborn, for City Council:
I have all along been confident that
the city would give Boyle Heights
representation, and my indorsement
by the Association for Betterment
of Public Service makes my nomination
and election sure.
E. D. Howard, for City Council:
The harbor district is entitled to rep-
resentation. The harbor people and
the Association for Betterment of
Public Service have recommended
me to the people as that representa-
tive; I believe the people will ratify
that selection at the polls.
Fred C. Wheeler, for City Council:
I have had the experience and
I believe that my many friends will
see that I get on the ticket.
Boyle Workman, for City Council:
The people of this city have had
fifty years' time to become ac-
quainted with me and my ability in busi-
ness and civic affairs. I have con-
fidence their judgment will put me
well up on the ticket.
Mrs. Grace E. Asher, Board of
Education: I am proud to be con-
sidered worthy to be on the same
ticket with the candidates indor-
sed by the Association for Betterment
of Public Service, and I will give
my best efforts to the schools of our
city when nominated and elected.
D. E. Edwards, Board of Education:
I would like to continue the
work I have been doing on the board
in the last two years and believe the
people will ask me to do so.
Lynn Helm, Board of Education:
I am of the opinion that the people
will recognize the work of myself
and others on the board the past
two years and nominate me for re-
election.
C. C. Parker, Board of Education:
My interest in educational matters
I feel sure will be recognized by the
voters.
C. E. Freeman, Board of Education:
Those indor-
sed by the Association for Betterment of Public
Service are entitled to nomination,
and I am proud to be one of those.
Dr. F. W. Stedden, Board of
Education: My great interest in vo-
cational training I believe could be
made very useful in the school sys-
tem, and my nomination strengthens the

It's Mighty Important to Use GOOD Paint

BECAUSE the labor cost is more
than the paint cost, and it is impor-
tant to have the job last a long time.
Sherwin-Williams Paint costs less
by the job than any other paint
because it wears longest and covers
most surface. It is made from best
materials and is the best looking
paint you ever saw.

Preservative Shingle Stain

This stain preserves and beautifies
shingles. It brings out the natural
beauty of the wood and adds its rich
coloring. It sinks into the shingles
thoroughly, permanently stains and
colors them, and gives extra long life
to shingle roofs.

Porch and Deck Paint

A porch floor must stand the wear of
the weather as well as the wear of walk-
ing. Ordinary paint won't do. Porch
and Deck Paint is made to meet such
wear. It will last and hold its color.
There are a number of shades in browns
and grays.
