Hi Tracie,

I have a quick question, is Joe going to be participating on the NPC Arctic Steering Committee call today at 3:00pm. Sorry to bother you if you have already RSVPed, but Darren Woods' office sent the calendar notice and we are trying to keep things organized at the NPC. I ran into Joe last week and he mentioned that he thought it would be on the call. I would appreciate your confirmation.

Thanks,

Jim

Hi Jim!

I'd like to introduce you to John Bockmier (director of communications) and Heather Swift (press secretary) -- both cc'd on this email. Can you please send them the draft press release or share with them what you intend to say -- they can determine if we would like to include a quote from Secretary Zinke and what it would say.

Thank you!  
Leila

Leila,  
Thank you for the introduction.

John and Heather,  
We are working on a draft this afternoon. I will at least send some bullet points. The focus of the press release will be the report on the Arctic update requested by DOI/DOE. We would normally pick up something from the Secretary's remarks, but thought it would be more efficient to touch base in advance. I'll send a few more details this afternoon.
