Eden Avenue
Cincinnati 19, Ohio

Dear Doctor Kehoe:

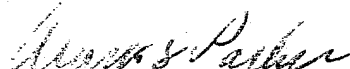

The editors of Modern Medicine invite you to prepare an article on chronic lead poisoning. The article would reach more than 175,000 active practitioners and carries an honorarium of \$100.

We would like an article between 2500 and 3500 words in length. Illustrations that clarify the text are welcome. Ordinarily a bibliography is not necessary, as the intent of the article is to supply practical clinical information to the reader.

The editors believe the subject is timely and that our readers will be interested in what you have to say about it. If the proposal interests you, will you let me know when you might conveniently have the article in our hands?

With kind regards, I am,

Sincerely yours,

Mark S. Parker
Executive Editor
