[EPA Event Master List 7.3.17v2.xlsx](#)

Sec. Perdue Team and Adm. Pruitt Team:

Attached is the guest list which will be updated again later this week for security clearance, etc. Invitations have been delivered and it appears we will have a full house.

Look forward to mapping out logistics once advance team arrives on Thursday.

Earl and I have worked on more details of run of show:

11:00 a.m. Arrive Gully Branch

Earl and Wanda tour farm with Sec. Perdue and Adm. Pruitt

Hosts will be stationed at pavilion to greet small group guests as they arrive.

11:30 a.m.- 12:15 Earl welcomes group/introduces Sec. Perdue/Perdue Introduces Adm. Pruitt

Round table self- introductions

Small Group discussion/round table. (see list with small group noted "SG"). Upon closure will allow a few minutes for leaders to disassemble and team

Will break down tables/chairs to allow room for large group assembly.

Will work with group to ensure we do not overlap with discussion and allow time for Sec. Perdue and Adm. Pruitt to interact.

Large Group will be checking in at barn and ready to move to pavilion when small group ends. Hosts will guide group to pavilion at appropriate time. **We plan to bring FFA leaders/students and 4-H leaders/students in to meet Sec. Perdue and Adm. Pruitt first and others will follow.** Anticipate 20-30 minutes to get everyone in the pavilion and Sec. Perdue/Adm. Pruitt time to speak to guests in small groups or individually. All those invited are supportive leaders and we expect a good turnout (between 75-100)

Refreshments available during this transition time.

12:45-1:15 Earl introduces Sec. Perdue and Sec. Perdue introduces Adm. Pruitt

Sec. Perdue and Adm. Pruitt address the group

1:15-1:30 Q&A

1:30-1:45 Any closing comments from Sec. Perdue and Adm. Pruitt

One final modification on run of schedule-I promise.

We can start 11 with a hard stop at 1:45. Does this work for the group?

Thank you.

Troy,

We appreciate this draft run of show. Certainly we're hoping for a little more time for our guests. Have key prospective forestry invitees from as far as CA, FL, and D.C. Working on invitees list at this moment. Will ask each guest to provide complete contact info with one paragraph of organization /bio info.

Will provide more info along with logistic details including coordinates/address upon preparing.
