

1 this, I thought maybe it makes some sense to see what
2 the plaintiffs' own experts had to say about the five
3 reasons that I talked about with you in opening
4 statement.

5 After all, the experts I put on are going to
6 agree with those reasons, but what I did was I went
7 back and looked at the trial transcript to see what
8 the plaintiffs' own experts had to say on these
9 points, and it is interesting, in a lot of instances
10 they agreed with those five reasons.

11 Now, I want to be very clear with you. The
12 plaintiffs' experts didn't always agree with what I
13 had to say, but I wouldn't expect them to. They are
14 the plaintiffs' experts.

15 They weren't paid to come in and agree with
16 what I had to say, but in any event, I think the best
17 way to go about explaining to you what I learned from
18 looking at the transcripts is to create a little chart
19 here.

20 On the left-hand side of this chart, I am
21 going to put reason. And then in red over here on the
