CAL CHANGE ORDER

CertainTeed

CertainTeed Corporation
Pipe and Plastics Group

APPLICABLE TO:

A/C Standard Purchasing Specification
Spec. 501

DATE OF ISSUE:

January 19, 1984

T.C.O. NO.:

8

PAGE NO.:

1

DESCRIPTION:

Pulverized Silica

Purpose: To bring the surface area of silica requirement more in line with our current cement surface area. A comparable surface area is desirable since the reaction rate between cement and silica and the product quality produced therefrom are influenced more by surface area than by purity.

Effective Date: Date of issue.

Disposition of Superseded Pages: Dispose of page 3 of April 25, 1973 Issue and replace with new issue.
