Thank you so much! I really appreciate the offer.

I realize how busy the Administrator is, so I'm totally flexible depending on his schedule. I'm in town, so I can respond to a time when it looks good on your side.

Any time from Thursday next week on would be good, if there potential openings that look likely.

Thanks again, and I'll look forward to hearing from you.

Hi Sydney,

Just finalizing everything for the meeting tomorrow.

I attached a short document that can be used as a pre-meeting brief. Please feel free to distribute that to the meeting participants and anyone that may need it.

Here are the meeting details as I have them:

Meeting with Administrator Pruitt, Nancy Beck, and Patrick Davis from 2pm-3pm, Wednesday May 24, 2017.

We will arrive at EPA about 15 minutes early (1:45). Should we ask for you?

Also, what entrance should we use? William Jefferson Clinton North?

Regards,

Robert

That's going to be it from our side. Do you need anything else like DOB or address etc?

Also, can you tell me who will be in the meeting from EPA other than Administrator Pruitt?

Administrator Pruitt,

I hope this finds you well. I am reaching out on behalf of the Society of Chemical Manufacturers & Affiliates (SOCMA). We are a trade association representing the specialty chemicals industry. I have attached a meeting request from SOCMA's CEO, Jennifer Abril.

SOCMA member companies employ more than 100,000 workers across the country and produce some 50,000 products - valued at \$60 billion annually - that make our standard of living possible. From pharmaceuticals to cosmetics, soaps to plastics, and all manner of industrial and construction products, SOCMA members make materials that save lives, make our food supply safe and abundant, and enable the manufacture of literally thousands of other products people use daily.

We hope to introduce you to some of the key players in the specialty chemical industry and explain our high priority issues.

Please contact me if you have any questions.
