That works great! Confirmed for 3pm on July 10th. She will be flying in from New Orleans, but will be in DC on the 9th and 10th if we need to adjust the timing slightly.

Thank you for your help, and have a nice week.

Hi Alana!

I hope you are having a great week. I just tried to give you a call but unfortunately, we had a White House event that has affected our meetings on Friday so I wanted to see what the possibility of rescheduling to the week of the 23rd is?

I'm so sorry for the change of plans on our end and please let me know if that week sometime during the 23rd-26th would work!

Hi Alana and Happy Friday!

Thanks so much for the update here. His week has filled up quite a bit, but we have some availability on Friday June 13th at 3pm EST if that would work?

I know that's a Friday afternoon so we could also accommodate Thursday June 19th at the moment as well!

Thank you and have a great weekend!

Hi Izzy,

Happy Friday! Wanted to circle back here, as you may have seen we have announced that Colette Hirstius, our EVP Gulf of America will be our new President Shell USA, Inc. effective August 1st, however we have started the transition from Gretchen Watkins to Ms. Hirstius as President. Wanted to check on the week of June 9th and see if Secretary Wright would still have any availability to sit down with Ms. Hirstius that week? Right now, the best day is likely the 11th however we would be able to accommodate any day that week. If that week no longer works well, happy to look at other dates for the Secretary and Ms. Hirstius to meet in DC. Appreciate your help, and talk soon.

Hi Izzy,

Thanks for your patience – was checking a few things with our team. That sounds great, please just let us know how your planning is coming together, and if the Secretary is in town on the 29th would love to arrange a meeting between him and Mr. Sawan. I'll check back with you in about 2 weeks, and we can make a plan.

For the week of June 9th, we are checking availability there, and I should have a better answer for you in about a week or so. All to say, we can just stay in touch over the next few weeks and hope schedules align one way or the other.

Let me know if you have any questions, and will be in touch soon!

Hi Alana!

I hope you had a great weekend! Thank you so much for your follow-up on this. As of right now we have a tentative hold for a trip during that week and the following. Would you mind checking back in in 2 weeks when we will have a more solid idea if that is happening or not?

If it doesn't happen, we can work to make something on the 29th work! If it does, do you have any availability the week of June 9th that we could set something up for?

Thank you,

Izzy
