Sydney-

Thanks to Congressman Scalise's office...I'm able to push the Administrator into that 2:15-2:45 pm slot!

Updated paperwork, speaker guidelines and program attached. In addition, below is a narrative bio we've written up based upon his long version on the website. Feel free to make changes or let me know if it's okay as is.

On February 17, 2017, the U.S. Senate confirmed Scott Pruitt as the 14th Administrator of the U.S. Environmental Protection Agency. Mr. Pruitt's overarching goal is to lead EPA in a way that our future generations inherit a better and healthier environment. Most recently, he served as the Attorney General for Oklahoma. Mr. Pruitt became a national leader through a career of advocating to keep power in the hands of hard-working Americans. He has a proven track record of working with others, including industry, farmers, ranchers, landowners and small business owners, who want to do the right thing by the environment. He is recognized as a leader in the cause to restore the proper balance between the states and federal government, and he established Oklahoma's first federalism unit to combat unwarranted regulation and overreach by the federal government. Before being elected attorney general, he served eight years in the Oklahoma State Senate where he was a leading voice for fiscal responsibility. After earning his Bachelor's Degree from Georgetown College and graduating from the University of Tulsa College of Law, Mr. Pruitt went into private legal practice, specializing in constitutional law. In addition to his life as a civil servant, Mr. Pruitt is a successful entrepreneur. As a co-owner and managing general partner of Oklahoma City's Triple-A minor league baseball affiliate, the Oklahoma City Redhawks, Mr. Pruitt took over the team's marketing operations and helped it become one of the minor league leaders in attendance and merchandise sales. Mr. Pruitt and his wife Marlyn proudly raised their daughter, McKenna, and son, Cade, in Tulsa.

Thanks so much,

Amy

Good morning Amy,

Request for you, is it at all possible for me us to move the speech to the 2:15 time slot instead of the 1:45 to accommodate a meeting at the White House? I am so sorry for the change.

Thank you!

Sorry all...I accidentally sent the attached docs before adding my message.

Sydney...here's the first confirmation document. Included is a speaker release form (last page). The Administrator does not need to sign this. However, if he chooses to do so, please also look at our Speaker Guidelines as well.

If he does not sign, we will record his remarks (audio and video) for archival purposes only, meaning that CNP will retain a copy for our historical records, and we will send your office a copy as well. But we will not share the presentation with our members.

Let me know if there are any questions about these documents. I look forward to hearing back from you and welcome any questions.

Best,

Amy

Hi Sydney-

On Friday, we have 1:45-2:15 pm and 2:15-2:45 pm available. After a brief introduction, the Administrator would have about 25 minutes total for his remarks and any questions he wants to take (if any). Let me know if either option works with his schedule.

Thanks!

Amy
