Minutes of Hourly Safety Committee
Meeting Held April 28, 1981

V. P. Osburn
T. Ozarchuk
M. A. Riddle
PMSB
SHAC

W. E. Bean - SS4
J. M. Burkhalter - SS10
Jessie Butler - 51D
L. E. Derrick - AB
Austin Gates - LD
Vivian Hargrove - 35P
A. E. Mofley - 15/16D
R. L. Sartain - SS12
E. L. Doty - 51D

OLD BUSINESS

Manlifts

Mark Riddle reported that a committee has been formed by L. Schwab to investigate and recommend actions that might be taken to improve the safety in using the manlifts around the plant. The members of that committee are M. Riddle, LP&S; T. Glover, A. Rich, and L. Renaud, Maintenance, and R. Willis, Manufacturing. Mark Riddle asked for comments and received the following:

1. Use a flashing light on the vehicle at ground level.

2. There is a problem of controls being painted over after use of the manlifts by the painters.

3. Stripes may help to make the manlift more noticeable.

Impact Wrenches Used by Ships

V. Osburn, Material Handling, discussed this problem and said they had requested the Queeney (only ship using impact wrenches) to stop using them when working with Monsanto personnel. Material Handling does not want to use impact wrenches but has little control over the Queeney.

Bicycles and Trackmobile

V. Osburn agreed to look into correcting this problem. It appears to be a Material Handling responsibility.

AN Barge Loading - Pump Seals Being Blown

After reviewing this problem with V. Osburn it appears to be an internal Material Handling problem where procedures were not being followed.

Hazard Caused by Electric Plug

M. Riddle investigated this problem but deferred discussion until the HSC member that brought it up was present.

NEW BUSINESS

Committee Chairman

Jessie Butler has accepted the job of foreman in Department 51. The hold-over members elected Austin Gates as chairman for the remainder of the term.

Replacement for Jessie Butler

It was suggested to the HSC, and accepted, that for the remaining two meetings of Jessie Butler's term he be allowed to appoint an ex-HSC member to represent Group I Zone 3. Jessie has asked Eldred Doty to do this and he has accepted.

The next meeting of the HSC will be May 26 at 1:30 p.m. in the Personnel Building Conference Room 2.
