Subject CONOCO CHEMICALS' ANNUAL INDUSTRIAL HYGIENE MEETING

Conoco Chemicals will hold its annual Industrial Hygiene Meeting this year on June 23 and 24 in Galveston, Texas. Attendees will include the plant Safety Directors and personnel from corporate Medical and Legal. We would like to invite you or a representative from your group to the meeting to discuss the workmen's compensation system in general and specifically how the system works in Conoco. The purpose of this discussion would be to improve our understanding of the restraints and goals of the workmen's compensation system and to explore avenues of communication which could assist Conoco in administering claims affecting Conoco Chemicals.

Please advise as to the possibility of you or someone from your group attending the meeting.
