American Zinc Institute, Inc. April 4-5, 1968 (The Fiftieth)
at The Queen Elizabeth Hotel, Montreal, Canada

This is advance notice of the annual meetings of LIA and AZI listed above. A schedule and description of the general nature of these meetings are indicated below:

Wednesday morning -- LIA general and business session.

Wednesday afternoon -- LIA general and business session continued and a report on ILZRO's activities in lead.

Thursday morning -- A joint session of LIA-AZI including an updating of the Supply and Demand Report in Panel discussion form as presented in Chicago in 1965; health and safety problems relating to lead and zinc; and the general economic situation.

Thursday afternoon -- An AZI business and general session including a report on the Zinc vs. Plastics campaign and a report on ILZRO's activities in zinc.

Friday morning -- An AZI session including a report on galvanizing throughout the world; zinc-rich paint; micronutrients in animal feed; and an Institute report.

IMPORTANT: If you plan to attend, FILL IN the enclosed hotel reservation card and MAIL IT PROMPTLY to the Queen Elizabeth Hotel. If you make your reservation with the hotel by means other than the hotel card, be sure to mention that you are attending the LIA or AZI meetings.

Advance registration forms and detailed preliminary programs for both meetings will be mailed later.
