Subject: Shanghai Health Study: One Conference Call Number

To all Benzene Health Research Consortium Committee Members:

In an effort to prevent any future misunderstandings, API has chosen the following phone and meeting number for ALL future Shanghai Health Study conference calls.

Main Number
866.262.1780 (US)
205.354.0100 (International)
Meeting #: *0495614* (stars required)

This information has also been posted on the "SHS Update" page on the website. In the event that two BHRC committees are conducting conference calls at the same time, the following alternate meeting number will be used and the committee will be notified. Please note, the call-in phone number is the same.

Alternate Number
866.262.1780 (US)
205.354.0100 (International)
Meeting #: *1219720* (stars required)

Regards,

Matt
