April 25, 1972

Mr. R. T. Abbe
Mgr. Materials
General Electric Co.
John Street
Hudson Falls, N.Y.

Dear Bob:

Attached is our proposed agenda for the May 2 meeting.

We have withheld sending it as we thought you wished to first send us a list of the items you wanted us to cover and also a list of things your people plan to cover.

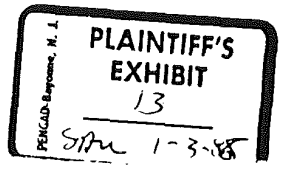

Not hearing from you, we take liberty to send the attached agenda, as time prior to meeting is getting short.

Best regards,

P. G. Benignus
Market Manager
