Subject: Director Pruitt

Director Pruitt,

As a USPS government employee of 40 years (+ military time), I can clearly understand the battle you face day to day. I am non-union and have a excellent work ethic, with many awards for productivity . I fight the masses everyday just to make a productive 8 hour day. You are doing a great job cleaning the muck from decades of corruption, from corrupt political types. SO often it seems like High School all over again, and we can only shake our heads. Without you, the sickening virus would grow and stifle our countrys' growth and progress. I am writing to let you know the silent majority supports YOU as much as President Trump. Keep swinging Sir, and we'll be there for you.

God Bless,
S.Piper
