You are being kind, but I do feel better prepared for tomorrow. I also thought a lot about the Jesus quote and have an answer that fits me and segues back to an island. Perhaps I can run it off of you today?

Your talking points are spot on...

Cheers!

Michael

Mike—good job today in the round table. I have provided some updates to the talking points.

This document—specifically the talking points—will be helpful to have at the hearing on Friday.

Kaitlyn—could you put this in a binder for Mike?
