Jan,

I am forwarding you a copy of the ToR for the HSE Cost Study we are doing because there is some work done by CT in providing Toxicology support to the PBU's. My understanding is that this work is directly requested from the PBU's and the budget for this is maintained by CT. As you will see in my note below we do not intend to do any work on this other than to include this as part of the overall cost of HSE. Could you identify someone from your organization we can contact to obtain this financial data? Thanks.

The attached ToR for the HSE cost study reflect the discussions held at the HSE Leadership Team meeting this week. Changes include:

- Addition of Fran Keith as a sponsor
- Addition of Candida Pizzuolo to the Financial Support area
- Greater clarity on the deliverables.
