Dear Mr. Frohreich:

The Bureau has received a written request from EPA for a copy of all relief valve discharge reports (of vinyl chloride) since November 5, 1981, from your facility. Therefore, relief valve discharge reports submitted to the Bureau on January 14, 1982, April 23, 1982, and June 18, 1982, are being forwarded to EPA. If you have any questions concerning the confidential treatment of the above reports by EPA, contact Wayne Aronson, Team Leader, New Source Review Team, 404-881-7654, at EPA's Regional Office in Atlanta, Georgia.

If I may be of assistance, please advise.

Yours truly,
