

THE SOCIETY FOR OCCUPATIONAL AND ENVIRONMENTAL HEALTH

July 6, 1973

To All Members:

NOTE: THIS DOCUMENT DID
NOT COME FROM PPG FILES

PLEASE NOTE

Enclosed with this are copies of a preliminary announcement of the Society's first international conference, the Shipyard Health Conference. A group of West Coast members of the Society have been responsible for its organization.

1. You are invited to make a scientific contribution, if you are working on problems of shipyard health and safety.
2. You might wish to notify your colleagues and others who may have an interest in shipyard safety and health.
3. Further details will be sent to you in the fall.

With my best wishes for a pleasant summer,

Irving J. Selikoff, M. D.
President

THE SOCIETY FOR OCCUPATIONAL AND ENVIRONMENTAL HEALTH

6.22.73

To All Members:

We have had discussions with NIOSH about our offer to assist that agency in its preparation of it's "Criteria Documents." It is now expected that our Society will be asked to officially review and criticize such documents, beginning probably in the fall of 1973.

Herewith is a list of items that NIOSH has scheduled for consideration for preparation of the appropriate "Criteria Documents" for the year, July 1, 1973 to June 30, 1974. Will you please review this list and indicate to us which items are of special interest to you and which you would be willing to review as one of the reviewers representing the Society.
