

1 Ford at least on three occasions in cases -- on
2 approximately three occasions in cases where a brake
3 mechanic was alleging mesothelioma from using Ford
4 products, among others?

5 A I don't recall that. I have given
6 depositions for a -- in a number of cases, and
7 sometimes I don't know who has listed me as being
8 the -- that I was being an expert for.

9 Sometimes what happens is I am listed as an
10 expert by several different groups, but it very well
11 could be Ford Motor Company on some of those, yes.

12 MR. SMITH: May I approach, Your Honor?

13 THE COURT: You may.

14 BY MR. SMITH:

15 Q I am referring to your deposition that you
16 gave in this case on April 10th, 1996, page 198.

17 I will read the question to you.

18 "We asked of all of the times that you have
19 given deposition testimony, how many of those were
20 mesothelioma cases in brake repair workers, if you
21 know?"
