Hey Bryan! Good to hear from you. A week prior is plenty of time. Maybe Holly can send us some days/ times that work for you and I can huddle with Millan. Thanks!

Subject: Administrator Pruitt speech at ACC Board

Hello Millan and Tate:

Per the previous email, I would be happy to have a private conversation to discuss the Administrator's presentation at ACC's upcoming board meeting. Also happy to provide whatever materials you believe would be useful.

I have cc'd my assistant, Holly Halsey who can help arrange a time to chat. I will be out of the office and in the middle of nowhere next week, with very limited access to phone and email. Accordingly, perhaps we arrange something for the following week, which is still a week prior to the speech?

Let me know whatever works for you two. Best, Bryan
