Re: Memice v. PPG, et als

Dear Sir:

I enclose herewith and serve upon you a Subpoena Duces Tecum in the above-entitled matter. This Subpoena requires the appearance and production of documents at a deposition presently scheduled for July 7, 1986 at this office in Newark, New Jersey at 10:00 a.m. You should be advised that we will accept copies of all documents required by this Subpoena if received before July 7, in which case no appearance at a deposition will be necessary. You may provide these documents by mail, or you may contact this office and we will arrange for a messenger to pick them up. If you would like, we will arrange to copy and return the documents to you.

As you will see, employment records of a former employee of Pantasote, Joseph Memice, are sought by this subpoena. Should you have any questions about this, please do not hesitate to contact this office.

Very truly yours,

Claire T. Barile
