Subject: Meeting Request: CEOs with Administrator

Some of our appliance manufacturing CEOs are going to be in Washington, DC on October 18 from 1pm-5pm, and I am working on meetings with senior Trump officials while they are in DC. Administrator Pruitt would be a very important meeting for our CEOs. Specifically, they have interest in the ENERGY STAR program and the SNAP/Refrigerant program. We have critical issues pending in both of these areas that the CEOs are anxious to discuss and find some certainty for their businesses. Thank you for your assistance or directing me to the appropriate person to discuss this scheduling request.
