Subject: Shanghai Update... Pending conf call re: UCHSC grant / JCML activity

Benzene Health Research Consortium (BHRC) Oversight & Technical Committee –

Brief note to update API progress, toward a follow-on conference call with Dr. Irons, before he returns to Shanghai (Sept 18th?) re: follow-on discussion of revised UCHSC budget & funding for JCML activity / alternate case-accrual timelines... to date, neither Russ nor I have received budgetary feedback requested from Dr. Irons:

- * Revised UCHSC budget
 - o Through year-end case accruals,
 - o Through alternate case accrual end date (May 2007?)

- * Changes from current UCHSC budget;

- * Impact to inter-related UCHSC grants/contract budgets
 - o UCHSC subcontracts (e.g., EMBSI, Fudan)
 - o Dr. Irons' travel & Expenses contract

Russ & I will follow-up with Rich on Friday, Sept 8th

Best Regards – Bruce,

year-end case the OC/TC conference call discussion

Best Regards - Bruce.
