and then let nature take its easy course.

That scientific discovery is tremendous. Its discoverer should have a monument, like Galileo and Copernicus. I am also ready to suggest a monument to the genius who can convince our wives that rinsing and draining is better than wiping.

Let me know, fellow fathers, if you have any luck.

The feminine remedy to the problem is one suggested by a dozen wives. "If," they write,

The Brotherhoods served the demands yesterday.

The wage demand would include a minimum increase of \$3 per day. Spokesmen for the railroads said the increase would add \$400,000,000 annually to rail transportation costs.

They said that a demand by the Brotherhoods for changes in 44 working rules would cost the railroads an additional \$1,000,000.
