Attention: Compensation Department

Dear Sir:

One of your employees, Joseph Boonkaji, has recently filed a claim in Ohio for compensation due to silicosis. The claim carries the Industrial Commission number OD 76761.

In the handling of these claims, it is necessary to investigate the conditions under which the claimant worked. The writer has no information as to the location of his employment in Ohio. Would you be so kind as to inform this office as to where an investigation of his employment can be made.

Sincerely yours,

Lester M. Merritt,
Industrial Hygiene Engineer.
