Hi Matt,

Thanks for getting back to me so quickly! I can absolutely provide a bit more context for the meeting.

We represent Amplify, an upstream company focused on the acquisition, production and development of oil and gas properties in the United States. Their properties consist of mature, legacy oil and natural gas fields. Amplify Energy is headquartered in Houston, Texas, but one of their subsidiaries, called Beta, operates oil and gas activities in the Pacific, offshore of CA. They would like to discuss their operations off of the Pacific Coast and onshore.

Please let me know if I can provide any more clarity.

Thank you,

Katherine

Katherine,

My name is Matt Dermody and I work on the Deputy Secretary's staff. Thank you for sending the meeting request form. Would you be able to provide me a synopsis of the issue(s) you wish to discuss with him in the meeting? If you could identify the specific issues or matters you would like to talk about that would be very helpful.

This will enable our Ethics Office to properly review the meeting request, as well as ensure the Deputy Secretary is properly briefed and prepared ahead of the meeting.

Please let me know if you have any questions.

Thanks,

Matthew Dermody

Hi Cathy,

We have just heard a couple more details from our client regarding time frames for the request. I can update the document as well, if that would be helpful.

If at all possible, we were hoping to make our request to meet with the Deputy Secretary anytime 1:30pm or after on the 18th, and anytime before 12:30pm on the 19th.

Thank you!

Katherine

Hi Katherine,

Please complete and return the attached meeting proposal for Deputy Secretary David Bernhardt. We will submit your request to the Ethics Office for a review/determination before we can schedule a meeting. Mr. Bernhardt will also have to accept this request.

Thank you.

Catherine,

I received an out-of-office reply from Gareth Rees, so I was hoping you might be able to help. As you can read below, we are hoping to schedule a meeting with Mr. Bernhardt. Mike Henry, Executive Vice President of the Alpine Group, and Mr. Bernhardt have met before, but I don't believe we have his correct email address. Might you be able to help?

Thanks,
Katherine

Hi Gareth,

Hoping your day is going well!

I'm reaching out on behalf of Mike Henry, Executive Vice President of the Alpine Group. I've included an email below, but we are hoping to schedule a meeting with Mr. Bernhardt next week. We received a bounce back, so I was hoping you could point us in the right direction. Please let me know if I can answer any questions.

Thank you!
Katherine

Are you in town next week? If so, possible I can bring senior leaders (possibly CEO) from Amplify in to meet with you? They own a company (Beta) operating oil and gas activities in the Pacific, offshore CA. They have an interesting story and some intriguing plans going forward.

I know you are busy, but I hope you might have time to meet.

Thanks!!

Mike
