Dear Dr. Rathbone:

It was my pleasure talking with you today.
I appreciated your inquiry.

As per our telephone conversation, I've
enclosed the Medical Surveillance parts of the
3 OSHA Standards you'll be interested in read-
ing, asbestos, vinyl chloride and inorganic
lead.

If I may be of any assistance, please feel
free to give me a call.

Yours very truly,

Carl B. Myers, M.D.

Enclosure: Standards on asbestos, vinyl chloride,
and inorganic lead.
