

05:41:10 asking these kind of questions. I also
11:05:43:20 would like a continued objection to this
11:05:48:30 type of questioning.

11:05:48:40 MR. DeLUCA: I will grant that to
11:05:50:50 you. I will grant that to you.

11:05:52:60 BY MR. DeLUCA:

11:05:54:70 Q Backing up a little bit. I had asked you
11:06:03:80 whether you thought that all types of asbestos
11:06:05:90 could cause cancer, including Chrysotile, and you
11:06:09:00 had kind of changed the focus to mesothelioma.

11:06:15:10 Let me approach those questions one at a time.
11:06:19:20 Do you believe -- well let me strike that.

11:06:21:30 Let me ask you for the opinions that you had
11:06:24:40 when you were employed by the Institute, all
11:06:28:50 right? Not what you believe now, but what you
11:06:31:60 believe then. Did you believe as Executive
11:06:34:70 Director of the Institute that all types of
11:06:37:80 asbestos could cause cancer, including Chrysotile?

11:06:41:90 A In 1971 or so when I started, about the
11:06:45:00 time I started, whether I started in '70 or '71,
11:06:48:10 I'm not sure, but I didn't believe asbestos was a
11:06:52:20 problem. I didn't know. I was brand new to this
11:06:55:30 whole thing. And after about five or six years,
07:00:24:40 the first warning that we had in our book was a
