

1 A Yes, the Wicks Corporation was trying to
2 take us over.

3 During that time they reorganized,
4 recapitalized and sold a lot of the businesses off
5 and, of course, they terminated quite a few personnel
6 at that time.

7 In fact, the research center went from
8 around 1,200 to about 800 of us left, yes.

9 Q In fact, 800 people were laid off and you
10 were one of them; isn't that correct?

11 A Correct. I don't think you can call it lay
12 off, it was termination.

13 Q I was trying to use a better term. You were
14 terminated in 1986?

15 A Yes.

16 Q But, in fact, the next day you were
17 contracted out through the Owens-Corning Fiberglas law
18 department the very next day; isn't that true, sir?

19 A That is correct.

20 Q And you were contracted back from the law
21 department the next day at your past salary which was
