Dear Mr. Bachmann:

This is in reference to my letter of February 14th regarding caution labels.

I was told by Dr. Lanzerath that Stieber Division of Borg-Warner did not require caution labels on asbestos paper.

Would you please drop me a short note stating this fact. A letter is needed for our files to show that German law does not require caution labels.

Thank you for your help in this matter.

Regards.

Very truly yours,
