PREFACE

ACKNOWLEDGEMENTS, SIGNIFICANT CHANGES AND COMMENTS

- 1) Since John Stafford's retirement from ICI, I am pleased to say that he has been elected an Honorary Fellow of the Faculty of Occupational Medicine at the Royal College of Physicians, London.
- 2) I would like to thank Dr Paglialunga for all his patience and hard work in helping me to acquire the necessary facts which enabled me to place the recent Pansac ASL in the Register.
- 3) I would like to thank Dr Landrie, General Tire and Rubber Company, Akron, Ohio, and Dr Dacey, Robert A Taft Laboratories, Cincinnati, for informing me of recent ASL cases.
- 4) I am grateful to Dr Contassot for sending me information about three new ASL cases which have occurred at the St Fons' Factory in Lyons, and also for the full account which he gave.
- 5) I should be very grateful if I could be kept up to date with the five ASL cases which I have placed in the Register, who are all still alive at this present time.
- 6) I would like to express my appreciation for all the help I have been given in carrying on the work of John Stafford by everybody who has sent me their helpful comments and communications.
- 7) On taking over the Register, I discussed with Dr John Stafford his present format. We both felt this would be the appropriate time to consider any worthwhile comments about its presentation, and also suggestions for any way it could be improved, in order to benefit future analysis.
