Good Afternoon Daniel,
I wanted to follow up on my email last week. Any assistance you can provide in helping us to begin the process of setting up a meeting between our President and CEO and the Secretary would be appreciated.

Thanks,
Justin

Subject: Congratulations and Meeting Request from the National Mining Association

Good Afternoon Daniel,
I received your contact from James Nelson in the Office of Congressional and Legislative Affairs. I wanted to share with you an electronic copy of a congratulatory letter from the National Mining Association's President and CEO, Rich Nolan, that was sent via mail on January 31. In addition to congratulating Secretary Burgum on his recent confirmation, it also requests the opportunity to schedule a meeting with the Secretary to discuss our shared goals and future opportunities for collaboration.

Any information you can share regarding the process to set up a meeting would be greatly appreciated. Please let me know if you have any questions in the meantime, and as always, do not hesitate to use us as a resource.

V/r,

Justin Prosser
