Dear Mr. Amidon and Mr. Carpenter,

On behalf of CropLife America and RISE, the nation's associations for agricultural and specialty pesticides respectively, we are pleased to invite the Administrator to deliver the Keynote Address at our Winter Joint Boards Meeting in Arlington, VA at 9 am on March 19, 2025 at the Westin. More details are in the attached letter regarding this opportunity to address over 40 CEOs of leading American companies. While we are certain that the Administrator is receiving many requests to speak at this time, we hope he is able to accept. As the letter notes, if he is not able to accommodate us, we would be happy to receive a surrogate from his office.

Please contact me if you have any questions about this invitation!

Regards,
