Dear Steve:

In re: vs. Sherwin Williams

Earlier today I filed our appeal to the Circuit Court, in Montgomery County, Illinois. As I suspected, they were not intimately acquainted with cases filed appealing an Industrial Commission decision, so it was time well spent to drive the 50 miles to Hillsboro. For your file I am attaching copies of the following:

Notice of Commencement of Proceedings to Review a Decision and
Opinion on Review of the Industrial Commission and Written
Request for Issuance of Summons

Summons

Certificate of Mailing

Receipt for costs of record

Workers' Compensation Bond

I suggested to the Clerk a return date of March 31, 1987, which is the full 60 days which is allowable by the Act. The commission ordinarily takes at least that long to file their record with the Circuit Clerk. Essentially that's an appearance date, although the Clerk did put the case on the docket for 10:00 a.m., March 31. Just prior to that date, I'll get in touch with the Clerk, and perhaps talk to the judge and tell them that there is no need for anyone to be present. As soon as the record is filed, we can agree to a hearing date.

With best regards, I am

Very truly yours,

Bob
