Working Requirements:	According to the Mexican Law on Inventions and Marks, proof of industrial working in Mexico must be filed within the two months following the starting date of said working or exploitation here. Lack of filing of the working Declaration within a three year term counted as from the date of issuance of the patent entitles any person to apply before Mexican Patent Office for the grant of a compulsory license under the conditions established in Article 50 of the above mentioned Law.
Expiration or lapse by lack of working:	Pursuant to Article 48 of the said Mexican Law (as amended in 1986), the patent shall lapse or will be expired "within (sic) a two year period counted as from the date on which the first compulsory license is granted".
Marking requirements indispensable to warn infringers:	"Patente No. 159071"

We are enclosing our Debit Note to cover the expenditures regarding payment of final fees in this case.

Very truly yours,

UHTHOFF, GOMEZ VEGA & UHTHOFF, S.C.
