Section I – INTRODUCTION

PURPOSE OF THE INSPECTION

This for-cause scheme marketplace establishment inspection was conducted pursuant to the Federal, Insecticide, Fungicide, and Rodenticide Act (FIFRA) Section 9(a), 7 U.S.C. §136g(a), to evaluate compliance with FIFRA and regulations thereunder.

The inspection occurred for-cause for the suspected distribution or sale of unregistered pesticides including Fabuloso Alternative al Cloro and Fabuloso Frescura Activa.

FACILITY DESCRIPTION

4 Aces Wholesale & Distributor was established in 2014. The company specializes in the distribution of household products including candies, drinks, laundry detergents, and disinfectants with labels in Spanish language. The company employees around 10-12 employees with locations in Dallas and Houston. The size of business is unknown as of this report's publish date.

Section II - OBSERVATIONS

I, EPA Region 6 inspector, Kiera Hancock along with Justin Mullenix and Lee McMillan, both of whom are EPA Region 6 inspectors, arrived at 4 Aces Wholesale & Distributor on June 25, 2024, at approximately 10:40AM. Upon entering the facility, we met with an employee. I identified myself and Inspectors Mullenix and McMillan as inspectors with the Environmental Protection Agency (EPA) and asked to speak with a manager. We were then met by Reena Rupani, who identified herself as the owner. I explained the purpose of our inspection to Ms. Rupani. Inspectors McMillan, Mullenix, and I presented Ms. Rupani our federal inspector credentials. I then requested if all parties could speak in an office and Ms. Rupani led Inspectors McMillan, Mullenix, and I to an office room. Upon entering the office room, we were then met by Amir Rupani who identified himself as the Chief Executive Officer for 4 Aces Wholesale & Distributor. Inspectors McMillan, Mullenix, and I explained the purpose of the inspection again and I provided a copy of the Notice of Inspection (Form 3540-2) for Ms. Rupani review and signature which she and I signed (Appendix 1).

I explained to Ms. Rupani and Mr. Rupani the for-cause nature of the inspection, citing potentially non-compliant pesticidal products that appeared to originate from 4 Aces Wholesale & Distributor including Fabuloso Alternative al Cloro and Fabuloso Frescura Activa (EPA unregistered) both of which were found being offered for sale at a retail marketplace. I also explained that there were other products found on the 4 Aces Wholesale & Distributor's online website that were a potential area of concern. Ms. Rupani explained that the website has a listing for every product they have ever carried and that it is not indicative of a product they are currently holding. Ms. Rupani also explained that the company only buys from other distributors in the United States and does not import any products outside of the country. Ms. Rupani then went to check if any of the products that were inquired about were currently in stock

or when had they last sold them. Ms. Rupani confirmed that the last time the Fabuloso Frescura Activa product had been sold was in 2023. She then confirmed that the Fabuloso Alternative al Cloro product was in stock.

The other inspectors, Ms. Rupani, and I then left the office and entered the warehouse section of the building. Ms. Rupani then showed us the isle that the Fabuloso Alternative al Cloro was placed. Inspector Mullenix took photographs of products while Inspector McMillan and I analyzed the pesticides. We went down two isles and observed the following products:

1. Fabuloso Ultra Frescura Antibacterial Y Antiviral – Fresco Amanecer (500mL)
2. Fabuloso Ultra Frescura Antibacterial Y Antiviral – Fresco Amanecer (1L)
3. Fabuloso Ultra Frescura Antibacterial Y Antiviral – Mar Fresco (1L)
4. Fabuloso Ultra Frescura Antibacterial Y Antiviral – Fresca Lavanda (1L)
5. Fabuloso Ultra Frescura Antibacterial Y Antiviral – Pasión de Frutas (1L)
6. Fabuloso Ultra Frescura Antibacterial Y Antiviral – Fresca Lavanda (10L)
7. Fabuloso Frescura Activa Antibacterial Y Antiviral – Mar Fresco (500mL)
8. Fabuloso Frescura Activa Antibacterial Y Antiviral – Fresco Amanecer (500mL)
9. Fabuloso Frescura Activa Antibacterial Y Antiviral – Energia Naranja (1L)
10. Fabuloso Antibacterial Y Antiviral Trap Para Trapear – Blue label (828mL)
11. Fabuloso Antibacterial Y Antiviral Trap Para Trapear – Purple label (828mL)
12. Fabuloso Alternative al Cloro – Fresca Primavera (1L)
13. Clorox Ropa (500mL)
14. Clorox Ropa (930mL)
15. Clorox Ropa (1.89L)
16. Clorox (500mL)
17. Clorox (1.89L)
18. Clorox (10L)
19. 4you Strong Disinfectant – Fresh Sea (5L)
20. 4you Strong Disinfectant – Lemon (5L)

Inspector Mullenix photographed the forementioned products (Appendix 3). Then the inspectors, Ms. Rupani, and I went back to the office room, and I requested sale and distribution records and invoices for the forementioned products. Ms. Rupani explained that the names of their buyers are confidential and declined to provide any sale and distribution records. I explained the process for handling Confidential Business Information (CBI) and provided a document explaining the definition of CBI and how to make a CBI claim. Ms. Rupani explained that she can provide invoices, but it would take some time to gather the records. We agreed that the invoices would be collected electronically later. I then provided Ms. Rupani with a Small Business Resource Information Sheet and completed a Receipt for Samples (Form 3540-3), which was signed by Ms. Rupani and I (Appendix 2). Copies of the Notice of Inspection and Receipt for Samples were provided to Ms. Rupani. The inspection concluded around 12:11PM.

Section III – AREAS OF CONCERN

An area of concern identified during the inspection includes the potential distribution and sale of unregistered pesticides.

Section IV – FOLLOW UP

July 16, 2024: Received Fabuloso and Clorox product invoices from 4 Aces per EPA request.

Section V – LIST OF APPENDICES

Appendix 1 – Notice of Inspection (Form 3540-2)

Appendix 2 – Receipt for Samples (Form 3540-3)

Appendix 3 – Photograph Log – 53 photos taken on 06/25/2024.
