Hey RJ,

I am writing to request a meeting between Administrator Pruitt and the membership of Fuels America (expected list below) on Sep 21 and 22. We're happy to be flexible on a specific time during either day—and likely/hopeful attendees are listed below.

The Fuels America coalition would like to discuss the renewable fuels standard and volume obligation. If the meeting can be arranged with the Administrator's schedule, my colleague Jordan Bernstein and I would accompany members of the Fuels America coalition.

Thanks very much for considering the request. If you need additional information, please call me at 202-585-2479 at your convenience.

V/R

Charles

Expected Attendees:

Jon Doggett, Executive Vice President, National Corn Growers Association,

Emily Skor, CEO, Growth Energy

Adam Monroe, President of the Americas, Novozymes,
