Thank you Ken. It was great to put a face with a voice. We certainly understand the need to adjust schedules and look forward to scheduling your visit with us.

Thank you for your words of encouragement regarding staff. You are correct that these are certainly life-altering charges, and we wish nothing but the best for our colleagues.

We hope to see you soon!

Regards,

Heidi

**Subject:** R5 Meeting

Heidi and Amy:

I really enjoyed our brief meeting and was horrified by your team members being indicted. Seems like a tough case for the prosecutor, but it doesn't change the life-altering charges. We will hope for a good result for good civil servants.

I am sorry that the meeting for today could not work out, but I am looking forward to getting it on the calendar very soon. In the meantime, please feel free to reach out should you need anything.

Ken
