Good morning Mariel,
The additional information you requested is included in the attached.

Also there is one additional change we would like your assistance to make for the plan proposal,

(b)(5); Deliberative Process Privilege

the last week we now only want to recommend eliminating one of the advisory councils – the Forest Resource Coordinating Committee. We want to continue to operate the National Urban and Community Forest Advisory Council. I reflected this change on the spreadsheet as well. Can you make this change in the proposal entry?

Thanks,
