

1 Q Was there a change in your health in October
2 of 1992?

3 A Very rapid change.

4 Q Can you tell me what symptoms that you began
5 to experience at that time?

6 A Well, one day I felt really great, I was
7 helping a friend of mine working on his house
8 remodeling it; and the very next day I felt bad.

9 I don't know why, so I decided to go get an
10 examination from the family doctor.

11 Q What kind of feeling did you experience that
12 led you to go to your family doctor?

13 A When I would move around or walk around, I
14 felt like a swishing sensation in the side of my
15 chest.

16 Q And your family doctor is Dr. Rostogi?

17 A Yes.

18 Q Was he present when you went to the office?

19 A Well, he wasn't so I talked to a Dr. Izzi.

20 Q What did Dr. Izzi do for you on that day in
21 October?
