Leila,

Take a deep breath! I can feel a bit of stress in your email. This is one meeting you don't need to worry about.

I'll plan to pick sandwiches to make life easy.

Look forward to seeing you.

I'm sooo sorry. I'm drowning in work. Jim - I've submitted your name as a guest of the Secretary's office for tomorrow. Both Secretary and Deputy Secretary are in but we should have access to the roof via south penthouse. I'm 99% certain there are tables and chairs on the roof. We can grab a sandwich from the DOI cafeteria or I'm happy to pay you if you're getting them from somewhere else.

It was Leila's idea, so I'm going to assume that she is good with it. I'll plan to get to DOI a little before noon.

See you tomorrow.

That works for me. Leila?

Hi Leila and Kate,

I'm following up on a suggestion that Leila made last week. The weather looks good tomorrow (mid-60s to low 70s and partly sunny), so what do you think about a brown bag lunch on Interior's roof. I haven't been there, so sounds interesting and also we aren't dealing with time challenges of going to a restaurant. If okay with you, I can stop at a deli on my way and pick up sandwiches. Does that sound okay? Assuming this is okay, please let me know if you have a favorite deli sandwich?

Look forward to catching up. Kate, if you would prefer something different, just let me know.

Best, Jim
